Earning Nursing Continuing Education Contact Hours **Has Never Been Easier**

Your nurses' time is valuable. Wouldn't it be great if earning contact hours was seamlessly integrated into their daily workflow? With *Dynamic Health* it can be. New personalization features allow nurses to effortlessly earn contact hours every time they use *Dynamic Health* to answer a clinical question.

A nurse's personal user account automatically tracks contact hours for all their *Dynamic Health* usage, and credits can be claimed by answering a few simple practice and knowledge-based questions at the user's leisure.

Dynamic Health In-Context CEs...

- Are accredited by the American Nurses Credentialing Center's Commission on Accreditation
- Can be earned on both the web and mobile applications
- Foster a culture of lifelong learning and critical thinking
- Allow nurses to easily earn contact hours throughout the course of their daily workflow
